Certified Veterinary Technician (CVT) – Shiloh Veterinary Hospital, York, PA

Are you a Certified Veterinary Technician who wants to actually use your hard-earned skills to their fullest potential? At Shiloh Veterinary Hospital in York, PA, we believe in empowering our technicians, practicing top-tier medicine, and supporting each other as true teammates.

Who We Are

Shiloh Veterinary Hospital is a privately owned, AAHA-accredited, Fear Free, and Cat Friendly small animal hospital (with a few pocket pets and reptiles, for those who are interested). Our 11-doctor, 17-CVT team thrives in a collaborative, progressive, and emotionally intelligent environment — we truly walk the talk when it comes to kindness, respect, and communication.

We Value:

- Kindness** – to patients, clients, and each other
- Best medicine** – we practice what we preach
- Healthy bonds** – within our team and with our clients
- Problem-solving** – curiosity and teamwork drive us forward

What You'll Do

Our CVTs are the heartbeat of the hospital, and we utilize them to their fullest:

- Scrub in and assist on most abdominal surgeries
- Handle all aspects of anesthesia induction, monitoring, and recovery
- Perform digital dental radiography
- Perform fine needle aspirates, ear smears, and skin cytology diagnostics on our microscopes with HD cameras!
- Support our doctors in steady-paced 30-minute appointments
- Work with the support of veterinary assistants to provide ongoing medical care for hospitalized pets.
- Work with excellent clients who truly value our progressive, compassionate care
